

ANNUAL 40-DAY SEASON OF PRAYER AND FASTING

Dear Intercessors,

God is using Project Hannah intercessors, staff and volunteers across the globe to encourage and uplift women who are struggling.

Every day, Project Hannah's intercessors in over 100 countries and speaking 40 languages pray together through the monthly requests. Additionally, once a year Project Hannah sets aside 40 days before our anniversary to participate in a rotational fast. During this time, we persistently cry out to our Lord on behalf of those who are struggling, asking Him to intercede and protect them from those who malign them (Psalm 12:5).

Please prayerfully consider joining us for our annual **40-Day Season of Prayer and Fasting** from October 1 through November 9. Let us know on the form below if and how you will participate. Choose at least one day out of the 40 to spend all or a portion of that day fasting and praying. You might also decide to pray through Project Hannah's monthly prayer calendars again, which are available on our website at projecthannah.org under "prayer points".

We also will be praying for you, so please include a personal prayer request with your response. You can mail us your response using the form below, e-mail us at hannah@twrcanada.org or sign up through the website.

FROM MARLI'S DESK ...

Dear friend,

It is said that, "When man works, man works. When man prays, God works!" How true! At Project Hannah we pray, and we've seen God working in miraculous ways.

He has commanded us to "*rescue those being led away to death; hold back those staggering toward slaughter*" (Proverbs 24:11). This task can be accomplished only by His supernatural wisdom, grace and power. These women's needs are great, but His power to intervene in their lives and save them completely is even greater! God's strategy has been to empower us with a gift—the power of prayer. Through it we can snatch women out of Satan's hands—our arch enemy.

It is October again. Since 1997 Project Hannah has led an Annual Season of Fasting and Prayer for 40 days all over the globe. We fast because Jesus taught us to do so. It pleases God and helps us to concentrate on Him and His resources. As we fast we say to Him, "*I stand in the gap for these women. I yearn for you to feed their souls with your love more than I care for food to feed my body.*" Fasting is not trying to manipulate God. On the contrary, fasting shows Him our earnest desire to see breakthroughs in the spiritual realm in these women's lives and spirits.

Now, let's not engage in this month's spiritual battle without putting on the full armor of God (Ephesians 6) with a heart full of hope, joy and expectant faith. Then let's watch how Christ will lead us into His will; His Holy Spirit will interpret our prayers before the Father. Then let's watch God's blessings pour down from the windows of heaven on us and on Project Hannah's worldwide ministry.

Let's encourage each other to fast for His mighty work of redemption—not only in the lives of suffering women everywhere, but especially for His anointing over Project Hannah's 52 production teams around the world.

My friend, I am praying, fasting, watching and waiting expectantly for God's power to be revealed in this blessed Project Hannah ministry with you.
